8907	Morrowind's Epic Ladies Add-on: Wood Elves	Models and Textures	MMH	56-6847	Mel	2012-02-12	Nimble and clever, the inhabitants of Valenwood have sunkissed skin, large expressive eyes, and facial tattoos ranging from pretty to pretty scary. If ever a Tamrielic race had a wild side, it's the Bosmer. This is my re-imagining of Wood Elves. This pack comes with 10 d...
8906	Morrowind's Epic Ladies Add-on: Redguards	Models and Textures	MMH	56-6849	Mel	2012-02-16	The noble warrior race of Hammerfell, with skin tones ranging from light beige to nearly black, with sleek, toned physiques and striking eyes. This is my version of Redguards, the fourth installment of the Epic Ladies series. All faces are brand new, high-res and very de...
8905	Morrowind's Epic Ladies Add-on: Imperials	Models and Textures	MMH	56-6843	Mel	2012-02-05	Rich copper skin, captivating eyes, and lush dark hair give them a place among the most beautiful and exotic women in the empire. Though proud and aloof at first glance, the ladies of Cyrodiil are proof that a haughty demeanor can hide a noble heart. This is my re-imagin...
8904	Morrowind's Epic Ladies (M.E.L.)	Models and Textures	MMH	56-6839	Mel	2012-02-01	This is a collection of all-new Dunmer, Breton, Nord, and Altmer faces. They are high-res and extremely detailed, with an emphasis on natural beauty, variety, and staying true to the classic style of the original head replacers. The faces are lore-friendly with the exception of some Dunmer eye co...
8841	MEL Hair Pack	Models and Textures	MMH	56-6844	Mel	2012-02-06	This is a conversion of some of the gorgeous hair used in the Apachii Wigs mod for Oblivion. All hairs are converted with permission and available for Nord, Breton, High Elf, Dark Elf, and Imperial, in many lovely and lustrous colors. *Some hairs may look odd in shadows ...
8713	Hi-Res Tattoos for Vanilla Races (Nord) v1.2	Models and Textures	MMH	56-6833	Mel	2012-01-15	This is a collection of simple upper and lower back high-res tattoo sets for Vanilla races, currently only Nord is available. I will add more races, styles, UV mapping and asymmetry later if there is a positive response. This is my first attempt at modding so please don't hesitate to r...
