Sign of the Hero	Birthsigns	http://mw.modhistory.com/download-8-13083	Mikel	2008-12-13 00:00:00	This birth-sign of the hero will be added to the list of birth-signs at the beginning of the game. It gives you the ability to summon an enchanted long-bow/long-sword (and keep it forever). This is my first mod, so, yeah.
