11040	Balancing The "Conquerable"	Tweaks	MMH	90-13947	MrNicNac	2010-05-12	This is a rather simple mod, but it can effect your "reign of terror", or easy game problem. Everytime you visit a city you see the guards as useless fools who can't hold their own (well most of us anyway). This mod takes all guards (and some important people who "should...
10443	Color Flame Blades v1.0	Weapons	MMH	98-13957	MrNicNac	2010-05-18	Well, I made these for fun and probably wasn't going to release them. Although they are not put into the game, they are set up with enchantments in the CS already.
6868	The Tribunal Order	Factions	MMH	35-13952	MrNicNac	2010-05-15	<p>Please note that I am new to uploading retextured weapons. If you have a problem please comment here and tell me what it is.</p> <p>=====WhatItDoes=====</p> <p>This is a large mod that adds the Tribunal Order to Mournhold, Pla...</p>
