8333	Azuras Coast and Sheogorath - Grassmod 1.2	Models and Textures	MMH	56-11987	Muspila/Worsas	2012-11-16	This mod spreads grass meshes over the Azura's Coast- and the Sheogorath- Region. The grass can be animated using Morrowind Graphics Extender. Both the grass meshes and the textures are made by me. Grass meshes were distributed using Yacoby's mesh generator.
