668	Bloodmoon Sailor's House	Houses	MMH	44-11312	Neolin_Windblade	2007-06-25	This mod adds a house under the dock at Fort Frostmoth that you can acquire through a short quest. The house has some storage space and a place to sleep, plus a small secret to discover. If you run through dialog correctly, you might get a special weapon. To start the quest, go to Fort Frostmoth ...
