11917	Rugs and Tapestries	Resources	MMH	55-6007	TextureFreak aka Texture Freak	2011-12-24	I made this mod to create more diversity. These are no new meshes. I just retextured existing textures.
11914	10 Common Tapestries	Resources	MMH	55-6010	TextureFreak aka Texture Freak	2011-12-24	Textures for you this time.
11867	Villa Fortuna	Resources	MMH	55-7255	TextureFreak aka Texture Freak	2012-08-16	the banks of lake Masobi stands a villa. Carefully located on the opposite side of Suran and directly connected to the docks of Ules Manor this villa guarantees a great view at the surroundings. I'll sum up a few of its features for you. Spacey entrance with neatly designed flo...
11866	Books	Resources	MMH	55-7256	TextureFreak aka Texture Freak	2012-08-16	This is a modders resource. This mod includes 8 retextured bookmodels that can be freely used by anyone who mods for the game Morrowind. Just make sure I get the proper credits for it. Most of the new textures are based on photographs taken from books at my home. I edited them and changed them and...
9067	Sand Textures	Models and Textures	MMH	56-7258	TextureFreak aka Texture Freak	2012-08-16	This mod adds 17 land textures which you can use on any of your projects. The textures are best used on desert like environments. I've found these texture on the internet and edited them to my liking. So some of these textures actually consist of 3 or more other textures. Inside you'...
9062	Rugs and Tapestries	Models and Textures	MMH	56-7259	TextureFreak aka Texture Freak	2012-08-16	I made this mod to create more diversity. These are no new meshes. I just retextured existing textures. There are 2 .esp files included. 1)TF_rug_v1.esp 2)TF_tapestry_v1.esp TF_rug_v1.esp includes 20 retextured "big_rugs" both round and square ones and 6 "small rugs". I dedicat...
9047	Retextured Pillows v1.0	Models and Textures	MMH	56-2074	TextureFreak aka Texture Freak	2009-04-06	Perhaps you also notice that there is only 1 different common pillow in MW? Last night I was out hiking the lands of Vvardenfell when it hit me. So I retextured the pillow model from Morrowind and now there are 13 pillows. I made 4 rich satin versions, 2 dirty pillows, 3 guarski...
8955	Nordic Trees	Models and Textures	MMH	56-6011	TextureFreak aka Texture Freak	2011-12-24	I edited the Ascadian Island trees and placed some snow on the leaves. So now you have 9 trees you can use with my snow landtex. I didn't put any of these trees into the world of Morrowind. This is meant for you, so that you can create your own freezing cold mod. If you decide to upload them to a...
8728	Icecave Tileset v1.0	Models and Textures	MMH	56-3175	TextureFreak aka Texture Freak	2009-05-12	This mod is for modders only. I retextured an entire cave tileset with a new ice texture. Feel free to use it in any of your own Morrowind mods as long as you credit me for editing the textures and releasing this mod and David Gurrea for providing the base texture. The .esp file only...
8342	Bed Replacer v1.2	Models and Textures	MMH	56-7257	TextureFreak aka Texture Freak	2012-08-16	This mod adds a total of 21 retextured bed versions to Morrowind. This mod doesn't replace all original beds simply because these original textures are superb. I would hate to see all those excellent beds disappear so I decided to just replace a few beds of important NPC's in both Vva...
