10903	Tojo's Gunblade Mod	Weapons	MMH	98-11016	Tojo	2007-01-24	The mod adds a new weapon called the Gunblade, its the Revolver Model that is Wielded by Squall from FF8, if you look close you can see a couple spots of bad texturing and just how bad i am at modeling but im just happy it works in game to be honest. This is my First Mod ...
