2580	Trent's house (aka Haus)	Houses	MMH	44-7633	Trent Castravanas	2004-06-11	My first mod - adds a house near the stilt-strider in balmora. the house is basic but looks like it should belong there (one minor glitch thing there is a bed and a keg on a stand that are there in the editor but dont show up in the game doesnt effect gameplay though) enjoy question...
