12586	Silver Katana	Resources	MMH	55-9302	VagabondAngel	2005-05-28	This is primarily intended as a resource but includes the .esp I use for my own game, which adds the new mesh (Hissy mesh with more traditional tsuka) as a Silver Katana to levelled lists. One is also for sale at Alusaron's - one of the smith's in Vivec Foreign Quarter.
11885	Vivec and Velothi Retexture v2.2	Resources	MMH	55-6983	Vagabondangel	2012-07-22	Completely different from my first VV texture replacer, this one at least attempts to stay more in keeping with the game's ambience. I tried to make it look like the city fit for a god I wished Vivec was but isn't quite so in your face as the marble one I did. In v2.1 I have redone...

10738	Ornate Elvish Sabres	Weapons	MMH	98-7118	VagabondAngel	2012-07-28	Another couple of sword resource offerings, this time with a celtic/elvish slant and once again using Phijama's excellent partial reflection technique. Both swords come complete with sheaths and are scripted to allow them to be equipped on either back or belt, depending on what armour/clot...
10716	Ni'assa and T'ulliah dual wield scimitars	Weapons	MMH	98-8657	VagabondAngel	2005-02-12	Welcome to my first attempt to model a weapon... didn't turn out too bad all things considered so I turned it into dual wield twin blades. 10674	Macha 1.0	Weapons	MMH	98-5338	VagabondAngel	2009-05-12	Macha is an ornate katana of rare beauty and once was the pride of the sword collection in Old Mournhold. 10604	Hissy Ornate Katana	Weapons	MMH	98-7120	VagabondAngel	2012-07-28	I think my best sword so far. A realistic katana with silver inlay on the tsuka (handle), reflective shiny tsuba (hilt guard) and blade and an ornate lacquered sheath with matching silver detail. The reflection techniques used in on these objects were kindly taught to me by Phijama (creator of th...
10527	Elvish Katana	Weapons	MMH	98-7122	VagabondAngel	2012-07-28	Another new sword mesh I whipped up while supposedly working on something else... I thought it was quite nice; simple but effective. So I christened it an Elvish Katana, made a longer two handed version (Nodachi) and the intention is to release it as a resource. I have included a simpl...
