Vality's Bitter Coast Mod v4.0	Models and textures	http://mw.modhistory.com/download-56-11539	Vality7	2007-09-19 00:00:00	This mod replaces all the 'leafy' Bitter Coast trees with my own "speedtree" like trees, a similar technique to what was used in Oblivion. The plugin adds many more trees to the Bitter Coast to give the region a more dense atmosphere. *Recommended addition though not required: Connary...
Vality's Ice Caverns Enhanced	Models and textures	http://mw.modhistory.com/download-56-12538	Vality7	2008-02-16 00:00:00	This is an enhancement for all of Solstheim's Ice Caverns to give everything a more shiny and icy look. It is a mesh replacer, not a texture replacer, so it will not conflict with any texture mods or any other mods. See the Readme for more info.

Vality7's Ascadian Isles for use with Vurt's Ascadian Isles tree overhaul	Models and textures	http://mw.modhistory.com/download-56-6043	Vality7	2012-01-22 05:17:53	from read-me: This is an unauthorized modified version of Vality7's Ascadian Isles .esp, specifically for use with Vurt's Ascadian Isles tree overhaul. Specifically, it attempts to move the "tall" tree variants away from places they don't look right in; Vality made this .esp with his t...
Vality7's Bitter Coast addon and Balmora addon for use with Vurt's Bitter Coast Trees	Models and textures	http://mw.modhistory.com/download-56-6044	Vality7	2012-01-22 05:22:40	from read-me: This is an unauthorized modified version of Vality7's Bitter Coast addon and Balmora addon. Specifically, it moves the tree placement around to be more appropriate for use with Vurt's Bitter Coast Trees. Some trees were floating slightly, other trees were gro...
