11436	No Reflect	Tweaks	MMH	90-9344	Valjiin a.k.a. Pegleg The Pirate	2004-03-17	Tired of your L-50 mage hurling a fiery ball of doom towards some pitiful little Ash Ghoul, only to have it change direction and blow you into little mage bits? How about the feeling you get when your uber-wizard is running for his life from something so simple as a Hunger? &...
