Addition To the Seyda Neen Warehouse	Buildings	http://mw.modhistory.com/download-15-10067	Valor	2005-08-01 00:00:00	I made this because I thought that a warehouse should have something more of a warehouse feel. So I built stairs going down, added a room with armor, weapons, food and gold. Everything belongs to the guards and there are three now there. To prevent stealing and to add t...
