11329	Light Based Sneaking v1.4	Tweaks	MMH	90-8600	Vanhikes, Qwert	2003-02-03	I thought that the sneaking skill was not very interactive. you just pushed a button and started to sneak; did not need to do much. So I wanted to make it more of an experience you have control over. My goal was to make this as much like the game Thief as possible; where light is your enemy and d...
