430	Armor Compilation	Armor	MMH	4-12533	Wierdoom, Quorn	2008-02-13	!! I did not make these models. They are used with the permission of their creator, Quorn!! This mod compiles all of Quorn's armor and weapon resources into one file, and adds them into the leveled lists so they fit in seamlessly with the game. You DO NOT need Quorn's ori...
