12943	Improved Iron Shield	Models and Textures	Fliggerty	*755	Wolvman	2012-11-21	What does this mod do? This is a simple model replacement for the iron shield that makes it more round. Installation and Playing Extract the rar archive file directly into your Morrowind/ folder. Uninstalling Delete Shield_Iron.nif from your Morrowind/Data Files/Meshes/A folder. Contact and Permission Do what you want with it, just please give credit where it's due. You can contact me through the Elderscrolls forums as 'Wolvman'.
8052	Ravenous Hunger	Miscellaneous	MMH	53-13593	Wolvman	2009-08-16	Ravenous Hunger is a complete overhaul of Bloodmoon's lycanthropy system. It adds new lycanthrope variants and gives the old system a fresh new start. Nearly every aspect of the original lycanthropy system has been changed or improved in some way. Also Note: This is a be...
3081	Gratuitous Violence	Beta	MMH	7-14287	Wolvman	2011-04-25	Gratuitous Violence Beta V.1.3 Readme ------What does this mod do?------ The aim of this mod is to completely overhaul the combat system of Morrowind to be more deadly and realistic. Although this overhaul is focused on ...
