2707	Voderius Manor	Houses	MMH	44-14367	WrathWhisperer	2011-09-25	In my many millions of hours and save games, I have noticed that not many people make mods which include the area Caldera. Which often becomes my home area and I use that area alot. So I decided that I needed a proper home, So I made this mod. It's located between the mages guild and the gu...
