11359	Magicka-Surge	Tweaks	MMH	90-11585	Zerfetzer	2007-10-08	<p>This Plug-in runs a script which adds 4% magicka per level to your magicka pool. It works basically like the fortify max magicka ability, but it is not build up on it to provide more accuracy.(fortify uses 10% steps) Therefore it has no buff icon.</p> <p>If it does not already r...</p>
