The Devil's Gun	Weapons	http://mw.modhistory.com/download-98-11101	_Aediin_	2007-02-28 00:00:00	The Devil's Gun (when loaded with bullets) is a firearm, so it's more powerful than a crossbow, but a lot slower to reload. If you run out of bullets (or just unequip them) the weapon switches to a spear-type weapon using the bayonet to stab enemies. Changelog: Apparently, the fu...
