Subtle Magic Glow	Models and textures	http://mw.modhistory.com/download-56-10601	atteSmythe	2006-05-23 00:00:00	Subtle Magic Glow replaces the 'plastic wrap' around in-game magic items (those equipped by characters or on the ground) with less-obtrusive versions. There are three available: A more transparent version of the Bethesda original, one that is faint, but nonmoving, and one that is nonmoving but sl...
