7505	A new morrowind lancher	Miscellaneous	MMH	53-12958	bluetaco	2008-09-30	This morrowind start up can-play morrowind,go to the elder scrolls web site, and uninstall morrowind. I am still working on getting it to go to the data files and options,tech stuff. To install this you will need to extract this into the morrowind folder and if you wont ...
