3005	Detect Humanoid	Beta	MMH	7-10416	lyobovnik	2006-02-13	Allows the player to Detect NPCs, through Detect spells. Each NPC will now acquire a key and an enchanted item the first time they use a voice file. This makes them detectable in a unique way whenever both "Detect Key" and "Detect Enchantment" effects are active. In Morr...
