4930	Visitor's Quarters	Buildings	MMH	15-11216	trknman	2007-04-29	Has anybody (other than me) gotten tired of gettin' their butt kicked by those lo-level thugs in the thief's cave just outside Seyda Neen, or not having enough money to buy a decent weapon or pay for passage to Balmora? Well fret no more. Here's a small house just ...
