Jacob's Hideaway	Houses	http://mw.modhistory.com/download-44-13904	warshacked	2010-03-31 00:00:00	A small underground lair with a fairly good sword and a nice sized storage area has a cool back story in a journal inside the house lastly the house is located in a tent just outside of balmora to the south. this is my first mod so dont judge to harshly.
