Mod	Tamriel Rebuilt/Herbalism Lite
Category	Alchemical
Link	http://mw.modhistory.com/download-1-13506
Author	Tealpanda
Date	2009-06-25 00:00:00
Description	<p>*REQUIRES Tamriel Rebuilt* This automates plant picking. Instead of opening when you click on it, the plants will automatically be picked and placed in your inventory. For plants that sometimes have no ingredients there is a random chance that nothing will be picke...</p>
