Mod	Moon Sugar Plantation v 1.2
Category	Buildings
Link	http://mw.modhistory.com/download-15-12071
Author	Danjb
Date	2012-12-11 07:16:55
Description	Adds a small plantation north-west of Caldera - a plantation that grows moon sugar! The plantation is owned by a Khajit, who also lets the player use his refiner to turn moon sugar into skooma. There shouldn't be any conflicts with other mods.
