Mod	Better Bodies Silk Wraps v1.0
Category	Clothing
Link	http://mw.modhistory.com/download-21-5719
Author	Korana
Date	2011-10-02 22:45:02
Description	This mod adds 13 recolors of a dress I made for several other projects. These color variants were created upon requests over the course of a year. I have also included 2 pairs of black and brown leather boots. The items can be bought from a new shop, located on the outskirts of Dagon Fel.
