Mod	Elemental Skeletons v1
Category	Creatures
Link	http://mw.modhistory.com/download-26-11664
Author	Blake, Lingarn
Date	2012-09-10 12:42:38
Description	This mod adds 9 new type of magic using skeletons to tomb leveled lists, they will start appearing at level 5. They have appropriate particle effects denoting the element/school of magicka they use. They are skeletons with particle effects. The skeletons were made by Lingarn, then pla...
