Mod	Uvirith's Legacy 2.0
Category	Factions
Link	http://mw.modhistory.com/download-35-6928
Author	Stuporstar
Date	2012-05-22 11:19:30
Description	This is an older version of Uvirith's Legacy. For the lastest version, please use the mirror link found below. This mod started as an ever expanding version of Uvirith Inside. It all started when I decided to make the original mod compatible with Tribunal and Bloodmoon. From there the ...
