Mod	Edoruz Manor
Category	Houses
Link	http://mw.modhistory.com/download-44-11520
Author	Rulparapel
Date	2007-09-14 00:00:00
Description	This mod adds a manor a short bit from Caldera's north-west gate. If your view distance is set to medium or higher you should be able to see it when you leave Caldera from the north-west gate. The manor consists of a ground floor, upper floor, attic and basement. On the ground floor you hav...
