Mod	The Lodge
Category	Houses
Link	http://mw.modhistory.com/download-44-13451
Author	Aila
Date	2009-06-04 00:00:00
Description	This mod adds a house to the outskirts of Pelagiad. The house, named The Lodge, belongs to an aspiring writer, who offers a place to sleep in his cellar for the weary traveller. There are also some crates for storage space. And for the literature fans, feel free to read his self written books tha...
