Mod	Draggle-Tail Torches
Category	Lights
Link	http://mw.modhistory.com/download-50-14297
Author	Danjb
Date	2011-05-10 00:00:00
Description	I've always thought that Draggle-Tail plants would make nice torches, as they're the right sort of shape and they glow in the dark. If you find yourself without a light and you're about to explore a cave, why not just grab the nearest Draggle-Tail? This mod makes that pos...
