Mod	Enhanced Detection
Category	Magic and Spells
Link	http://mw.modhistory.com/download-51-11131
Author	Fliggerty
Date	2007-03-18 00:00:00
Description	This will emulate Oblivion's Detect Life spell to an extent; and then some. Rather than placing a circle on your map a particle effect will be placed at the exact location of the detected object. These FX can be seen through any 3d mesh, including walls and terrain. ...
