Mod	Adventurer's NPCs 1.1 name add-on
Category	NPCs
Link	http://mw.modhistory.com/download-64-9788
Author	RammTheThief
Date	2005-05-10 00:00:00
Description	This mod adds names to the NPC's which are added by Adv_Npcs_1.1 by Adam. You need Morrowind AND Adv_npcs_1.1 to get it running. The names of the NPC's well aren't that great as I needed to make them up but I think I did a pretty good job.
