Mod	Immersive Spoilers
Category	Quests
Link	http://mw.modhistory.com/download-68-10814
Author	Wildman
Date	2006-09-26 00:00:00
Description	Getting tired of finding the same leveled loot everywhere, but don't want to read a walkthrough or item location list? Then this might be for you. This mod will add a new topic with vague but exact locations of special items throughout the game.
