Mod	Ghost Woman Modder's Resource
Category	Races
Link	http://mw.modhistory.com/download-70-12067
Author	redwoodtreesprite
Date	2012-11-26 08:13:23
Description	Adds a Ghost Woman Race and her robe in the editor, but not placed ingame. She works as an NPC. I don't recommend using the animation for a playable race. There are four NPC versions in the main esp, The first two have a faster glide, and the second two have a slower glide...
