Mod	Dave Humphrey's Furniture Store v2.01
Category	Stores and merchants
Link	http://mw.modhistory.com/download-80-7264
Author	Dave Humphrey, Erstam
Date	2012-08-21 00:19:27
Description	This plugin adds over 400 furniture items that you can pick up and move, allowing you to completely alter your own house layout while in the game... the only thing you gotta find is an empty house (now supplied as well). Items include all the typical house furnishings (tables, chairs, beds, etc.....
