

MMH Mods

Mod	Regional Mana
Category	Tweaks
Link	http://mw.modhistory.com/download-90-10674
Author	Wildman
Date	2006-07-14 00:00:00
Description	Regions of wilderness have their own mana properties. in areas of high mana, you will have increased magicka but also increased weakness to it. In areas of lower mana you will have more difficulty casting spells but are more resistant to magicka. Now with optional Magick...
