Mod	Bycote's Better Attacks
Category	Tweaks
Link	http://mw.modhistory.com/download-90-12513
Author	Bycote
Date	2008-02-06 00:00:00
Description	Bycote's Better Attacks is a simple mod that changes the damage values of most weapons in the game so the player can disable the in-game "always use best attack" option without suffering for it. Specifically, the three damage types (slash, chop, and thrust) on any given weapon have been set...
