2478	The Lodge	Houses	MMH	44-13451	Aila	2009-06-04	This mod adds a house to the outskirts of Pelagiad. The house, named The Lodge, belongs to an aspiring writer, who offers a place to sleep in his cellar for the weary traveller. There are also some crates for storage space. And for the literature fans, feel free to read his self written books tha...
